Education Background

CHANDIGARH UNIVERSITY

Pursuing B.E. CSE (Hons.) with Specialization in Artificial Intelligence and Machine Learning in association with IBM
2021-2025  **CGPA : 8.76**

International Public School, Kurali.

12th Grade
2019-2021  **CBSE: 94.4%**

National Ideal convent school , Morinda.

10th Grade
2007-2019  **CBSE: 93.2%**

Technical skills

- Programming Languages : Python, C, C++.
- Web Development : HTML, CSS, JavaScript
- Machine Learning: Scikit-Learn, TensorFlow, Keras
- Data Analysis: Pandas, NumPy, Weka
- Tools and Frameworks: Jupyter, Docker
- Database Management Systems
- Computer Vision: OpenCV, Convolutional Neural Networks

Soft Skill

- Observation
- Decision making
- Communication
- Multi-tasking

Languages

- English - Professional working proficiency
- Hindi - Native or bilingual proficiency
- Punjabi - Native or bilingual proficiency

Career Objective

I aspire to apply AI/ML concepts to real-world problems, fostering innovation. Committed to learning and collaboration, my goal is to become a proficient professional shaping technology's future through intelligent systems and data-driven solutions

Projects

1. Text Summarization and Insight Extraction

(Aug 2023-Dec 2023)

- Applying NLP techniques for key information extraction.
- Aiming to improve information retrieval through summarization.

2. Voice-Based Email for Blind People

(Feb 2023- May 2023)

- Designed voice-controlled email system.
- Implemented speech recognition and email APIs.

3. Twitter Sentiment Analysis

(Aug 2022- Dec 2022)

- Conducted NLP-driven sentiment analysis.
- Developed Python-based sentiment analysis tool.

4. Image Recognition using Convolutional Neural Networks

(Oct 2021 - Feb 2021)

- Developed deep learning-based image recognition.
- Achieved high object classification accuracy.

Certifications

- Oracle Academy Java for AP Computer Science .
July 27, 2023
- Security Operations Fundamentals (Palo Alto Networks Cybersecurity Academy)
July 24, 2022
- HTML, CSS, and JavaScript for Web Developers (Johns Hopkins University, Coursera)
May 17, 2022
- Fundamentals of Disruptive Technologies (Value Added Certification Program)
Dec 15, 2021

Achievements

- Won AIML theme Winners prize in Hack-O-Octo Hackathon

Hobbies or Interests

- Painting
- Reading
- Journaling
- Debugging
